Valentina is a certified patent paralegal with extensive experience in patent prosecution. She has an advanced background of software skills and using platforms such as Lexis-Nexis, Westlaw, USPTO, and EDGAR. Previously, as a patent prosecution paralegal, she managed and processed documents related to patent applications. Her attention to detail and organization have enabled her to handle complex legal processes, ensuring accuracy of official patent correspondence.

Certifications

— Patent Paralegal Certificate, The IPlegalED, Inc. (PPC)
